

Homework Questions

**Follow-up work for completion after Session 1.
To be submitted by 12th January 2019**

Consider the following questions and jot down some notes while ideas are fresh in your memory.

- 1) What effect does it have on our understanding of ourselves if we define ourselves as consumers?
- 2) What would be a better, more biblically appropriate way to think of ourselves (individually and collectively)?
- 3) Practically speaking, in a consumerist society, what can we do to move the dial?

Please submit your thoughts to mikeb@hku.hk by **12th January 2019**.

We will compile people's thoughts and feed them into discussions in subsequent sessions.
