

Discussion Questions

In discussing the two sessions from today's workshop, here are six questions which may guide our thinking:

- 1) Who speaks for future generations?**
- 2) How can we cultivate "Planet Consciousness"?**
- 3) Is land a resource for use or cultivation?**
- 4) How do today's topics relate to the Cultural Mandate? ["Be fruitful and multiply and fill the earth and subdue it, and have dominion over the fish of the sea and over the birds of the heavens and over every living thing that moves on the earth." Gen. 1:28.]**
- 5) What is symbiosis?**
- 6) What is our vision of the future? What is our theology of progress? Our eschatology?**
