

FAITH AND SCIENCE

COLLABORATIVE RESEARCH FORUM

At The University of Hong Kong

with the

CityU Christian Staff Fellowship

What Is Our Humanity?

Speakers

Bethany Sollereeder is an associate of the Faculty of Theology and Religion at Oxford University where she lectures on science and religion. She attended Regent College, Vancouver for her Master's work and Exeter University for her PhD. Her work concentrates on the implications of evolution for Christian belief, especially in regard to the suffering of animals. She is a theology fellow for BioLogos.

Arthur Mak obtained his BSc in Engineering Mechanics with highest honors at University of Illinois at Urbana-Champaign in 1973, and his PhD in Biomechanics at Northwestern University in 1980. He received his MA in Religion from Westminster Theological Seminary, Philadelphia in 1988. Having held numerous distinguished positions across Hong Kong he is now Professor of Biomedical Engineering at The Chinese University of Hong Kong.
